Youth Focused AOD Practices Training

WRAD along with YSAS will be presenting a 2 day training program based on Youth Focused AOD Practices.

This training program aims to increase the capacity of service workers to effectively support and respond to the needs of young people using substances.

Over the 2 days, participants will have the opportunity to understand why young people use drugs, how they use them, and how to reduce harms.

**Day 1: Understanding drugs and their effects/patterns of adolescent drug use/
trends in the local community
Responding to intoxication and challenging presentations
Applying harm reduction strategies
Engaging young people in constructive conversations about drug use**

**Day 2: Experiential approach
Family-inclusive practice
Brief interventions
Youth AOD Service system**
